New, original
non-traditional folk-rock music
guitar and voice

Fire and Fall Back debuts Richie Kaye, a modern troubadour, whose original acoustic guitar music and mystical vocal expression puts the folk genre in an entirely new light.

Fire and Fall Back pushes the envelope of modern folk music. Nothing atonal or odd-rhythm, but still strangely harmonious and curiously fragrant, lyrical and poetic, punctuated by heartfelt beats and mature experience that long life invests in song.

Acoustic: six-string steel guitar and voice

Formats on this CD: folk, folk-rock, progrock, adult contemporary, singer-songwriter

Mystical, fragrant, well-sung, very different, satisfying to the aware ear

"Daring...cool...intriguing...powerful..." -- Michael Hintz, Folkworld EU
